

Subject: Letter of Recommendation

Date: 14th Aug 2025

To Whomsoever It May Concern,

I recommend **Abhishek** from **Indian Institute of Information Technology Design and Manufacturing, Kurnool** based on his successful completion of his internship as '**Intern-AI Application Development**' at **xForm Business Solutions Private Limited** from **12th May 2025** to **1st Aug 2025**. During his internship, **Abhishek** demonstrated strong work ethic, enthusiasm for learning, and consistent professionalism in completing assigned tasks.

He showed excellent technical aptitude and problem-solving skills while working on projects, displaying the initiative and dedication expected of a developing professional. **Abhishek** was receptive to feedback and eager to expand his knowledge in the field.

Based on his positive attitude and solid foundation, I am confident **Abhishek** will continue to grow professionally. I recommend him for future opportunities where he can further develop his skills in AI application development.

Sincerely,

S.K. Chaturvedi
